2010 ANNUAL SPONSORSHIP

Madam,
Sir,

IES-Montreal announces its 2010 Annual Sponsorship Campaign. Year to year, since 1989, your contribution as sponsor allows our professional and social association, a non-profit organization, to promote lighting through several corporate events as well as education. Different from previous years, this sponsorship campaign runs from January 1st, 2010 through December 31st, 2010. For our 2010 campaign, there's only a single sponsorship contribution amount, set at \$295.00 for the year.

As always, IES-Montreal will be featuring the names of its sponsors in the following publications:

- Our section's **Annual Program flyer**, printed in July;
- **Invitations** to all its activities (Luncheons, Conferences, official receptions (Gala), Lighting Trade Show, Golf Tournament, etc.);
- **Électricité Québec**, the trade magazine which has been selected as our official media in Quebec.

At our **golf tournaments**, only the companies which are IES sponsors can advertise. **IES offers its sponsors a personalized sign** in their company name, a sign which will be displayed at one of the holes at our 2010 IES Golf Tournament. Please note that your payment must be received by **May 1st, 2010**, in order for the sign to be ready on time for our June 2010 tournament.

In addition, IES-Montreal grants each sponsor two (2) **free passes** for one of its Monthly Luncheons or Annual Conferences.

Your generous sponsorship will make a difference.

Looking forward to receiving your **CONTRIBUTION** shortly.

Sponsorship Campaign Committee
